

Hello YouHeroes!

We will take this chance to announce Latvian conference that will take place on 22 of August in Riga. The Conference is organized by [LIKTA](#) in cooperation with [Zemgale Region Competence development Centre](#). The Conference will provide main findings of the Youth Work HD research, as well as present the training methodology, materials and online platform. It will also discuss the main conclusions of Pilot evaluation. The audience will also be able to learn the findings of latest research by Samsung school of Future and UNESCO- about the Media literacy habits of youth in Latvia. A dedicated presentation will also address the issues of youth work related to GDPR.

16th edition of the International Youth Conference

The 16th edition of the International Youth Conference "**European Values for the Future of SEE countries**"- has been launched. The conference will take place from the 27th of September to 1st of October, 2018 traditionally in Krusevo, Macedonia.

The event is organized by Youth Alliance-Krusevo supported by Stability Pact for South Eastern Europe, sponsored by Germany and CIVICA Mobilias program, in partnership with the Friedrich Ebert Foundation. Detailed information regarding the conference can be found on the [project website](#).

IYC is providing 58 participants from 16 SEE countries with an opportunity to attend the conference with a full bursary. "Early birds" will have much more opportunity to attend the conference with full bursary, therefore send your application as soon as possible. On the other hand, there will be a chance for participation on the conference with participation fee for all suitable candidates with a range of backgrounds, skillsets and nationalities. **The application deadline is 25th of August 2018.** Regarding the selection criteria, the applicant's background and her/his interest for participation in the conference will be of great importance. One of the most relevant selection principle will be their opinions reflected in the essay as well as demonstrated dedication towards the multiplication of the conference results.

Till next time, stay positive and smart ;-)
